

Town of Gypsum 2008 Community Survey

September 23, 2008
Prepared by: Rachel Lunney
www.nwc.cog.co.us

Topics of Discussion

- **Purpose and Methodology of Community Survey**
- **Demographics of respondents**
- **Value to Assessment of issues and services (Gap Analysis)**
- **Town finances and resources**
- **Specific Town Services: Library, Law Enforcement, Recycling**
- **Prioritization of Town Resources**
- **Business Survey Analysis**

Methodology

- The purpose of the survey is to obtain information that could be useful to the town, information such as: demographics, value and assessment of services and issues, town services, and other items dealing with town finances and expenditures.

Survey Instrument

- A survey was created to address issues of importance to the Town of Gypsum.
- The survey instrument contained 37 questions for community members plus a section that contained 13 additional questions for local business owners.

Survey Implementation

- NWCCOG used addresses from the Eagle County Assessors and Voters list as well as addresses provided by the Town of Gypsum's business list to get a sample of the locals, property owners, and businesses of the community.
- From those lists, a sample of 2887 addresses were randomly selected to receive a community survey.
- The mailing gave the respondents the option of doing the survey on-line or completing a paper version of the survey and mailing it back in a postage paid envelope.
- The survey offered, in Spanish, the option of completing the survey in the Spanish language by calling Town Hall
- 2 mailings, plus incentives offered (prizes)

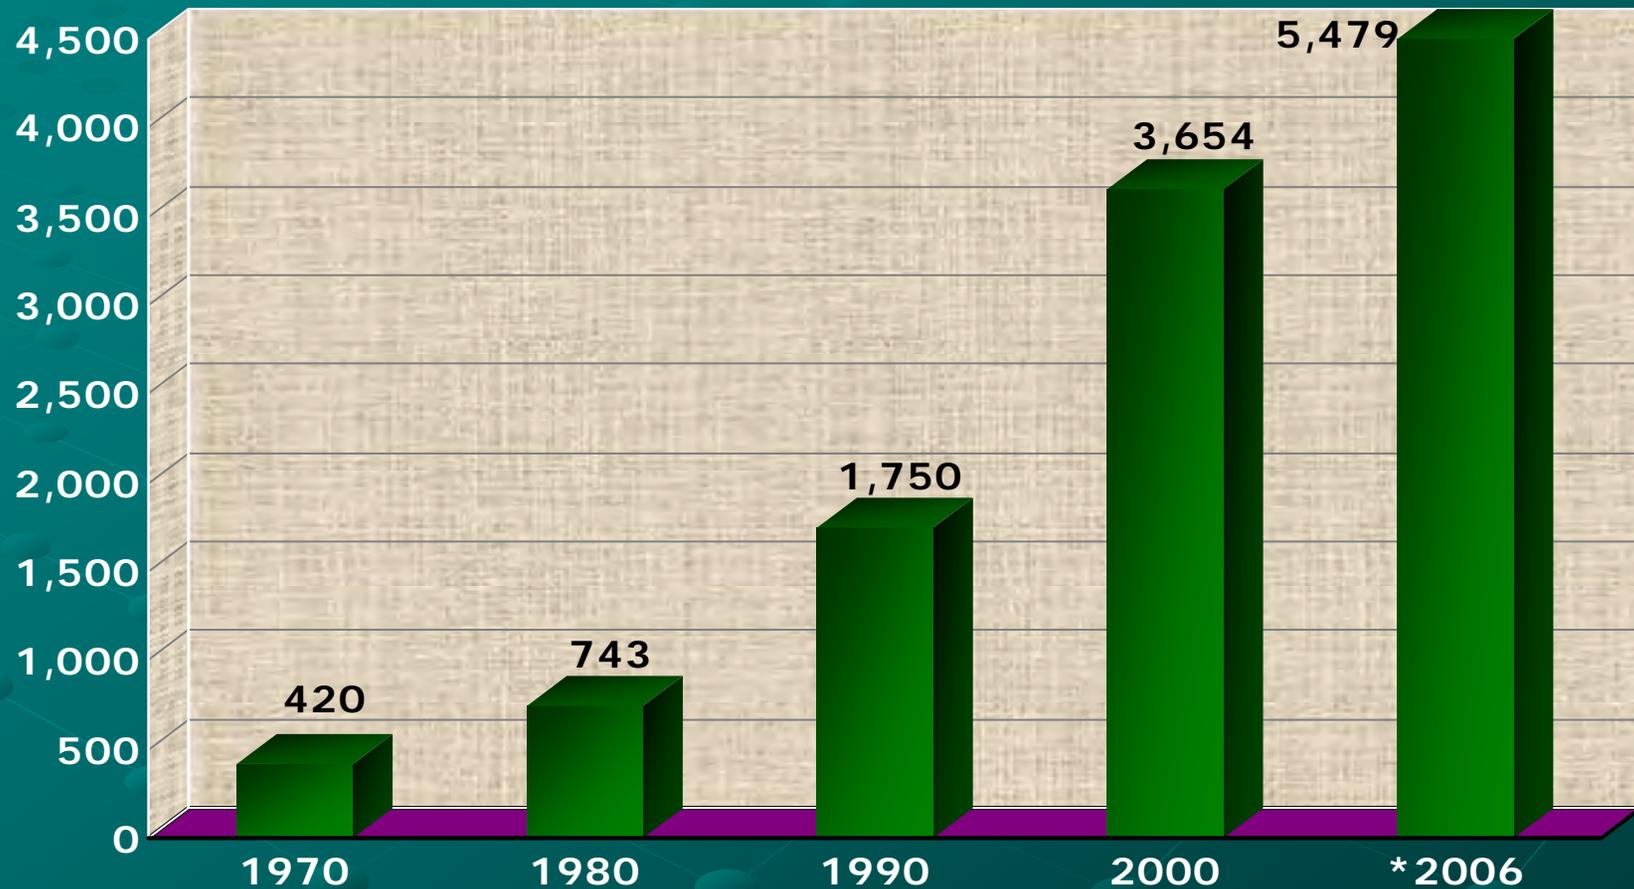

Return Rate

Sample	Mailed	Delivered	Returned	Return %
Voters	1321	1161	294	25.3%
Assessors	1268	1060	223	20.9%
Businesses	262	231	29	12.6%
Total	2887	2452	546	22.2%

Sample Size	Total Completed	Confidence Level	Standard Error Rate
2452	546	95%	3.5%

Demographics and Other Characteristics

Gypsum's Population Growth

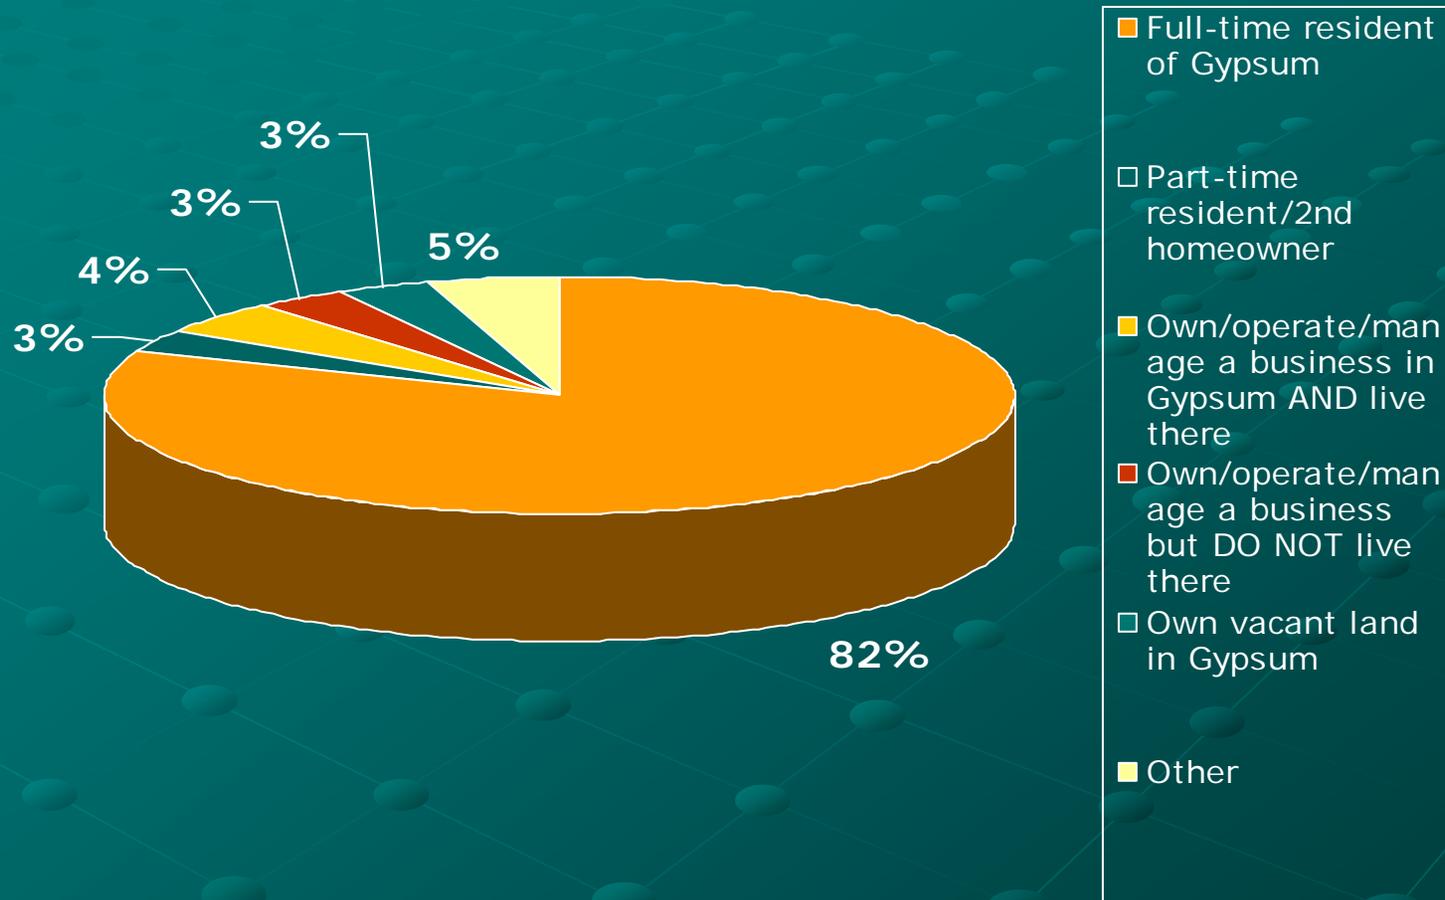

* 2006 Population estimate from Colorado Demography Office

RESIDENCY
