All Owners and any purchaser of a Unit shall be deemed to have assented to, ratified and approved such designations and management. The Association shall have all power necessary or desirable to effectuate such purposes.

Section 3.2 Authority of the Association. The business affairs of the Community shall be managed by the Association. The Association shall be governed by the Act, this Declaration, the Plat, the Articles of Incorporation, the Bylaws, and any Rules and Regulations adopted by the Board of Directors. ## ARTICLE 5. COVENANT FOR COMMON EXPENSE ASSESSMENTS

Section 5.1 Creation of Lien and Personal Obligation to Pay Assessments. Each Owner, by acceptance of a deed for a Unit, whether or not it shall be so expressed in any such deed or other conveyance, shall be deemed to covenant and agree to pay to the Association annual Common Expense Assessments, and such other Assessments as imposed by the Association.

(a) Such Assessments, including but not limited to fees, charges, late fees, attorney fees, fines and interest charged by the Association and additional fees charged by the managing agent, including but not limited to, administration and witness fees, shall be the personal obligation of the Owner of such Unit at the time when the Assessment or other charges became or fell due. The personal obligation to pay any past due sums due the Association shall not pass to a successor in title unless expressly assumed by them. No Owner may become exempt from liability for payment of any Assessment by waiver of the use or enjoyment of the Common Area, if any, or by abandonment of the Unit against which the Assessment is made.

(b) The Assessments as imposed by the Association, including fees, charges, late fees, attorney fees, fines and interest charged by the Association, and additional fees charged by the managing agent, including but not limited to, administration and witness fees, and/or any other charges that may be assessed and/or levied or may be agreed to in the process of collecting past due Assessments, including but not limited, credit card convenience fees from whatever source, shall be a charge on the respective Unit generating such charges and shall be a continuing lien upon the Unit against which each such Assessment or charge is made. If any Assessment is payable in installments, the full amount of the Assessment is a lien from the time the first installment becomes due.

(c) All Assessments shall be payable in the amounts specified in the levy thereof, and no offsets or reduction thereof, except as provided in this Declaration, shall be permitted by any reason including, without limitation, any claim that the Association is not properly exercising their duties and powers under this Declaration. Except as provided in this Declaration, all Assessments shall be assessed against all Units based on the Common Expense Liability or the Single Family Lot Expense Liability allocated to each applicable Unit, as set forth in this Declaration.

Section 5.2 Basis and Budget for Common Expense Assessments.

(a) The Common Expense Assessment may be made on an annual basis against all Units and shall be based upon the Association's advance budget of the cash requirements needed by it to provide for the administration and performance of its duties

during such Assessment year. Unless otherwise provided herein, Common Expense Assessments shall be apportioned among the Units in accordance with the Common Expense Liability allocated to each Unit as set forth herein. Notwithstanding, the amount of Common Expense Assessments against Initially Unoccupied Units shall be set at a lower rate than that charged against other Units because the Initially Unoccupied Units receive and benefit from fewer services funded by such Common Expense Assessments than the other Units. §38-33.3-315(3)(b), C.R.S. states that, “any common expense or portion thereof benefiting fewer than all of the units shall be assessed exclusively against the units benefited.” Based on this provision, each Initially Unoccupied Unit shall not be obligated to pay Common Expense Assessments. At the earlier of such time as the issuance of a temporary certificate of occupancy or a final certificate of occupancy for any Initially Unoccupied Unit, at which time the same ceases to be an Initially Unoccupied Unit, that Unit shall thereafter be subject to Assessments as fully set forth herein.

(b) The budget for annual Common Expense Assessments shall be submitted to the Owners for ratification pursuant to Section 303(4) of the Act and as set forth in the Bylaws, as the Bylaws may be amended from time to time. The budget may be vetoed by Owners representing at least sixty-seven percent (67%) of the total Association vote. In the event the budget for annual Common Expense Assessments is vetoed as provided herein, the budget for annual Common Expense Assessments last proposed by the Board and not vetoed by the Owners shall be continued until a subsequent budget for annual Common Expense Assessments proposed by the Board is not vetoed by the Owners. Common Expense Assessments shall be due and payable in monthly, quarterly, or annual installments, or in any other manner, as determined by the Board of Directors. The omission or failure of the Board of Directors to levy a Common Expense Assessment for any period shall not be deemed a waiver, modification or a release of the Owners from their obligation to pay.

### Section 5.3 Basis and Budget for Single Family Lot Expense Assessments.

(a) A Single Family Lot Expense Assessment for the Single Family Lots may be made on an annual basis against all Single Family Lots and shall be based upon the Association's advance budget of the cash requirements needed by it to provide for the anticipated Single Family Lot Expenses during such Assessment year. Unless otherwise provided herein, Single Family Lot Expense Assessments shall be apportioned among the Single Family Lots in accordance with the Single Family Lot Expense Liability allocated to each Single Family Lot as set forth herein.

(b) The budget for any annual Single Family Lot Expense Assessments shall be submitted to the Single Family Lot Owners for ratification pursuant to Section 303(4) of the Act and as set forth in the Bylaws, as the Bylaws may be amended from time to

time. The budget shall be deemed ratified unless Single Family Lot Owners representing sixty-seven percent (67%) of the total votes of the Single Family Lots, with each Single Family Lot having one vote, vote to reject the budget. Neighborhood Expenses Assessments shall be due and payable in monthly, quarterly, or annual installments, or in any other manner, as determined by the Board of Directors. The omission or failure of the Board of Directors to levy a Neighborhood Expense Assessment for any period shall not be deemed a waiver, modification or a release of the Owners from their obligation to pay.

Section 5.4 Special Assessments. In addition to other authorized Assessments, the Association may levy Special Assessments from time to time to cover previously unbudgeted expenses or expenses in excess of those budgeted, including, without limitation, the costs of any construction, restoration, or unbudgeted repairs or replacements of capital improvements that are not covered by the general reserve fund or the Single Family Lot reserve fund, as applicable. The proposed Special Assessment shall be submitted to the Owners for ratification pursuant to Section 303(4) of the Act and as set forth in the Bylaws, as the Bylaws may be amended from time to time. A proposed Special Assessment will be ratified unless Owners representing at least eighty percent (80%) of the all of the votes allocated to the Units that will be subject to the Special Assessment vote, either in person or by proxy, to reject the Special Assessment at a meeting called for such purpose. Special Assessments may be payable in installments extending beyond the fiscal year in which the Special Assessment is approved. The Board shall have the right to require that Special Assessments be paid in advance of the subject services or materials.

Section 5.5 Individual Purpose Assessments. The Association shall have the right to add to any Owner's Assessment as an Individual Purpose Assessment, without the need of going through the budget ratification process as provided for herein, the following:

(a) Those amounts expended by the Association for the benefit of any individual Unit or any occupant thereof, including but not limited to: Unit insurance; improvement, repair, replacement and maintenance specific to a Unit; improvement, repair, replacement or maintenance caused by the negligent or willful acts of any Owner, his or her guest, employee, licensee, lessee or invitee as set forth in this Declaration;

(b) Any extraordinary maintenance, repair, improvement or replacement costs of any area which the Association maintains required on fewer than all the Units;

(c) Any extraordinary insurance costs incurred as a result of the value of a particular Owner's Unit or the actions of an Owner (or his agents, guests, licensees, invitees or lessees);

(d) All fines and costs assessed against an Owner pursuant to the Governing Documents; and

(e) Any other expenditures or charges which the Board, in its sole discretion, chooses to allocate to a Unit and are reasonably determined to be allocable to a particular Unit.

Section 5.6 Application of Payments. All payments received on an account of any Owner or the Owner's Unit shall be applied to payment of any and all legal fees and costs (including attorney fees), expenses of enforcement and collection, late fees, returned check fees, lien fees and other costs owing or incurred with respect to such Owner pursuant to the Governing Documents, prior to application of the payment to any Assessments due or to become due with respect to such Owner.

Section 5.7 Effect of Non-Payment of Assessments.

(a) Any Assessment, charge or fee provided for in this Declaration, or any monthly or other installment thereof, which is not fully paid within fifteen (15) days after the due date thereof, as established by the of Directors, shall bear interest at the rate established by the Board of Directors, on a per annum basis to accrue monthly, from the due date, and the Association may assess a reasonable late fee thereon as determined by the Board of Directors.

(b) Failure to make payment within sixty (60) days of the due date thereof shall cause the total amount of such Owner's annual Common Expense Assessment or annual Single Family Lot Expense Assessment, as applicable, for the remainder of that fiscal year to become immediately due and payable at the option of the Board. The Board may, in its discretion, decelerate the Member's annual Common Expense Assessment or annual Single Family Lot Expense Assessment, as applicable.

(c) Further, the Association may foreclose its lien and/or bring an action at law or in equity, or all of the same, against any Owner personally obligated to pay such overdue Assessments, charges or fees, or monthly or other installments thereof. An action at law or in equity by the Association against an Owner to recover a money judgment for unpaid Assessments, charges or fees, or monthly or other installments thereof, may be commenced and pursued by the Association without foreclosing, or in any way waiving the Association's lien therefor. Likewise, the obtaining of a money judgment shall not preclude the foreclosure of the Association's lien so long as the judgment remains unsatisfied.

(d) Foreclosure or attempted foreclosure by the Association of its lien shall not be deemed to estop or otherwise preclude the Association from thereafter again foreclosing or attempting to foreclose its lien for any subsequent Assessment, charges or fees, or monthly or other installments thereof, which are not fully paid when due. The Association shall have the power and right to bid on or purchase any Unit at foreclosure or other legal sale, and to acquire and hold, lease, mortgage, convey or otherwise deal

with the same. If a foreclosure action is filed to foreclose any Assessment lien, and an Owner abandons or leaves vacant his or her Unit, the Board may take possession and rent said Unit or apply for the appointment of a receiver for the Unit without prior notice to the Owner. The rights of the Association shall be expressly subordinate to the rights of any holder of a first lien security interest as set forth in its deed of trust or mortgage (including any assignment of rents), to the extent permitted under the Act.

Section 5.8 Lien Priority. The lien of the Association under this Article is prior to all other liens and encumbrances on a Unit except: (1) liens and encumbrances recorded before the recordation of the Declaration; (2) a first lien security interest on the Unit (except as allowed by the Act with regard to the limited lien priority allowed to the Association); and (3) liens for real estate taxes and other governmental assessments or charges against the Unit. This Section does not affect the priority of mechanics' or materialmen's liens. The lien of the Association under this Article is not subject to the provision of any homestead exemption as allowed under state or federal law. The acceptance of a deed to a Unit subject to this Declaration shall constitute a waiver of the homestead exemption as against said Assessment lien. Sale or transfer of any Unit shall not affect the lien for said Assessments or charges except that sale or transfer of any Unit pursuant to foreclosure of any first lien security interest, or any proceeding in lieu thereof, including deed in lieu of foreclosure, or cancellation or forfeiture shall only extinguish the lien of Assessment charges as provided by applicable state law. No such sale, transfer, foreclosure, or any proceeding in lieu thereof, including deed in lieu of foreclosure, nor cancellation or forfeiture shall relieve any Unit from continuing liability for any Assessment charges thereafter becoming due, nor from the lien thereof.

Section 5.9 Working Capital Fund. Each Person who purchases a Unit from the Declarant or a Builder shall make a non-refundable contribution to the Association in an amount equal to two (2) times the then current monthly installment of the annual Common Expense Assessment. Said contribution shall be collected and transferred to the Association at the time of closing of the sale of each Unit and shall, until used, be maintained in a segregated account with other such working capital funds for the use and benefit of the Association, including, without limitation, to meet unforeseen expenditures or to purchase equipment, property or services. Such contribution to the working capital fund shall not relieve an Owner from making regular payment of Assessments as the same become due.

Section 5.10 Surplus Funds. Any surplus funds of the Association remaining after payment of or provision for Common Expenses and prepayment of or provision for reserves shall be retained by the Association as reserves or in such other funds as the Board of Directors may direct and need not be paid to the Owners or credited to them to reduce future Assessments.

## **ARTICLE 6. ARCHITECTURAL REVIEW**

Section 6.1 Composition of the Architectural Review Committee and Appointment.

The Architectural Review Committee will consist of three (3) or more natural persons or a separate legal entity appointed by the Board of Directors; provided, however, that until all of the Units That May Be Included have been conveyed to the first Owner thereof (other than the Declarant), the Declarant may appoint the Architectural Review Committee. If no Architectural Review Committee is appointed, the Board of Directors shall act as the Architectural Review Committee. The power to “appoint” the Architectural Review Committee, as provided herein, shall include without limitation the power to: constitute the initial membership of the Architectural Review Committee; appoint member(s) to the Architectural Review Committee on the occurrence of a vacancy therein, for whatever reason; and remove any member of the Architectural Review Committee, with or without cause, at any time, and appoint the successor thereof. Each such appointment may be made for such term(s) of office, subject to the aforesaid power of removal, as may be set from time to time in the discretion of the Board of Directors.

Section 6.2 Architectural Review Requirements; Authority of the Architectural Review Committee.

(a) No Improvement may be constructed, erected, placed, altered, planted, applied, installed or modified, upon any Single Family Lot, unless the Improvement is in full compliance with all provisions of the Governing Documents. Prior to constructing, erecting, placing, altering, planting, applying, installing or modifying an Improvement upon any Single Family Lot, the Owner of the Single Family Lot must submit plans and specifications for the proposed Improvement to the Architectural Review Committee for review and consideration, and then receive approval in writing from the Architectural Review Committee, all in accordance with the Design Guidelines.

(b) The Architectural Review Committee shall endeavor to exercise its reasonable judgment in an attempt to provide for each proposed Improvement to generally harmonize with the existing surroundings, residences, landscaping and structures.

(c) In its review of such plans, specifications and other materials and information, the Architectural Review Committee may require that the applicant(s) pay an architectural review fee and/or reimburse the Architectural Review Committee for the actual expenses incurred by the Architectural Review Committee in the review and approval process. Such amounts, if any, shall be collectible by the Association in the same manner as Assessments.

(d) Proposed Improvements may also require the approval of the architectural review committee established under the Master Declaration. Approval by the Architectural Review Committee under this Declaration shall not be deemed to be an approval by any architectural review committee established under the Master Declaration. Notwithstanding, the Architectural Review Committee may delegate any or

all design review and/or approval functions pursuant to this Declaration to an architectural review committee appointed by one or more owner associations governing all or any portion of the Property, including the Master Association, and may accept from any architectural review committee appointed by any such owner associations, including the Master Association, the delegation of any or all review and/or approval functions of such architectural review committee. The Architectural Review Committee may, at any time, determine to reclaim the delegated rights. To reclaim the delegated rights, written notice must be given to the board of directors of any owners association to which such rights were delegated that such rights are being reclaimed by the Architectural Review Committee, and the reclamation shall be effective upon receipt of the notice by the board of directors of such owners association. No delegation of design review and/or approval to any such owners association shall constitute a waiver of the Architectural Review Committee's right of design review and/or approval as provided in this Declaration. In addition to the foregoing review and approval, and notwithstanding anything to the contrary in this Declaration, prior to the construction, erection, addition, deletion, change or installation of any Improvement, the Owner must obtain the approval of all governmental entities with jurisdiction there over, and issuance of all required permits, licenses and approvals by all such entities.

Section 6.3 Design Guidelines. The Architectural Review Committee may propose Design Guidelines or revisions or amendments thereto, which may be approved by the Board of Directors, at any time and from time to time. Without limiting the generality of the foregoing, any such Design Guidelines may contain guidelines to clarify the types of designs and materials that may be considered in design approval, may state requirements for submissions in order to obtain review by the Architectural Review Committee, may state procedural requirements, or may specify acceptable Improvements that may be installed without prior approval of the Architectural Review Committee.

Section 6.4 Procedures. The Architectural Review Committee will review and approve in writing (which may be with conditions and/or requirements), or disapprove, each request for architectural approval within thirty (30) days after the complete submission to the Architectural Review Committee of the plans and specifications and other materials and information which the Architectural Review Committee may require in conjunction therewith in accordance with the design review procedures set forth in the Design Guidelines. If the Architectural Review Committee fails to review and approve in writing (which may be with conditions and/or requirements), or disapprove, a request for architectural approval within thirty (30) days after the complete submission of the plans and specifications and other information requested with respect thereto, such request is deemed denied by the Architectural Review Committee.

Section 6.5 Vote and Appeal. If the Board of Directors is not acting as the Architectural Review Committee, an Owner whose plans have been disapproved or conditionally approved by the Architectural Review Committee may appeal any decision of the Architectural

Review Committee to the Board of Directors by submitting a written appeal to the Board of Directors within thirty (30) days of the date of such disapproval or conditional approval. The Board of Directors shall review the decision of the Architectural Review Committee pursuant to the criteria set forth in this Article and the Design Guidelines. Any decision of the Architectural Review Committee may be overruled and reversed on appeal by a majority of the Board of Directors by a written decision setting forth the reasons for the reversal when the Board of Directors concludes that the Architectural Review Committee's decision was inconsistent with the criteria set forth in this Article and/or the Design Guidelines.

Section 6.6 Commencement and Completion of Construction. All Improvements approved by the Design Review Committee must be commenced within three (3) months from the date of approval. If not commenced within such time, then such approval shall be deemed revoked by the Architectural Review Committee, unless the Architectural Review Committee gives a written extension for commencing the work. Additionally, except with written Architectural Review Committee approval otherwise, and except for delays caused by strikes, fires, national emergencies, critical materials shortages or other intervening forces beyond the control of the Owner, all work approved by the Architectural Review shall be completed within three (3) months of commencement.

Section 6.7 Inspection of Work. The Architectural Review Committee and the Board of Directors have the right to inspect any Improvement at any time, including prior to or after completion, to determine whether or not the proposed Improvement is being completed or has been completed in compliance with the approval granted pursuant to this Article.

Section 6.8 Variations. The Architectural Review Committee may grant reasonable variances or adjustments from any conditions and restrictions imposed by this Declaration or the Design Guidelines in order to overcome practical difficulties and unnecessary hardships arising by reason of the application of the conditions and restrictions contained in this Declaration or in the Design Guidelines.

Section 6.9 Waivers. The approval or consent of the Architectural Review Committee to any application for architectural approval shall not be deemed to constitute a waiver of any right to hold or deny approval or consent by the Architectural Review Committee as to any application or other matters subsequently or additionally submitted for approval or consent.

Section 6.10 Liability. Neither the Declarant, the Association, the Board of Directors, the Architectural Review Committee, nor any agent, representative, affiliate, designee, consultant or contractor of any the same (collectively, the "**Released Parties**") are liable or shall be liable to any Person by reason of any action, including but not limited to failure to act, approval (which may be with conditions and/or requirements), disapproval, or failure to approve or disapprove, in regard to any matter whether for damage or in equity. In reviewing or approving any matter, the Released Parties are not responsible for any issue related to the Improvements, whether structural

or otherwise, and whether submitted for review or otherwise. The Released Parties are not responsible for any matter related to safety. The Released Parties are not responsible for the conformance of Improvements with applicable law or compliance with any other standard or regulation, and any approval (which may be with conditions and/or requirements) of any Improvement by the Architectural Review Committee will not be deemed an approval of any such matters, will not be deemed to represent that the Improvement conforms to applicable law or complies with any other standards or regulations, and will not constitute a warranty by the Released Parties to any applicant of the adequacy of design, workmanship or quality of such work or materials for any applicants' intended use. The Released Parties shall not be held liable for matters related to their decisions including, but not limited to soil conditions, ground water, drainage, or other general site work; any defects in plans revised or approved hereunder; any loss or damage arising out of the action, inaction, integrity, financial condition or quality of work of any contractor or its subcontractors, employees or agents, whether or not any of the Released Parties have approved or featured such contractor as a builder in the Community; or any injury, damages, or loss arising out of the manner or quality or other circumstances of approved construction on or modifications to any Unit. In all matters, the Released Parties shall be defended and indemnified by the Association as provided in Section 3.7 of this Declaration. The Architectural Review Committee will not make any investigation into title, ownership, easements, rights-of-way, or other rights appurtenant to property with respect to architectural requests and shall not be liable for any disputes relating to the same. No Person is a third party beneficiary of any obligation imposed upon, rights accorded to, action taken by, or approval granted by, the Released Parties. Each Owner (i) waives and releases the Released Parties from all claims related to approval or disapproval of any Improvements and (ii) waives and releases all claims against the Released Parties. The foregoing release and waiver are made by each Owner to the fullest extent permitted by the law and for and on behalf of itself, its assigns, executors, heirs, occupants, personal representatives, representatives, and successors. The Released Parties shall not be liable for any mistake of judgment, negligence or otherwise, except for their own individual willful misconduct or bad faith. The Released Parties have no personal liability with respect to any contract or other commitment made or action taken on behalf of the Released Parties.

Section 6.11 Declarant's and District's Exemption. Notwithstanding anything to the contrary, the Declarant is exempt from this Article and all provisions of this Declaration that require Architectural Review Committee review and/or approval.

Section 6.12 Builders Exemption. Notwithstanding anything to the contrary, as long as, and to the extent that, a Builder has received written architectural approval from the Declarant, such Builder shall, as to Declarant-approved Improvements, be exempt from this Article and all provisions of this Declaration that require Architectural Review Committee review and/or approval.

## **ARTICLE 7. MAINTENANCE AND SERVICE RESPONSIBILITIES**

Section 7.1 Association Maintenance and Service Responsibilities.

(a) The Board of Directors of the Association shall determine the specifications, scope, extent, nature and parameters of the Association's maintenance and service responsibilities.

(b) The Association shall maintain, repair, replace, and keep in good repair in a workmanlike manner as a Common Expense the Common Area and all Improvements thereon.

(c) The Association shall maintain, repair, replace and keep in good repair in a workmanlike manner, as a Single Family Lot Expense, the front yard areas of each Single Family Lot, which area includes the landscaped areas covering each Single Family Lot from the front lot line, to the building envelope, but not including any side or rear yard areas enclosed within the fence constructed on any Single Family Lot. Such maintenance shall include maintenance, repair and replacement of the initial landscaping installed by the Declarant or Builder thereon, including any irrigation system installed relative to the same, but shall not include the maintenance, repair or replacement of any sidewalks or other hardscape surfaces installed thereon.

(d) The Association may, in its sole discretion, assume the obligation for maintenance or repair of additional property, either real or personal, which lies within or outside the Community. The Association shall have the right to assume such obligation even if the obligation currently lies with Owners or other entities, provided, however, the Association shall provide Owners with fifteen (15) days prior written notice of the assumption of any obligation which would normally be that of the Owners pursuant to this Declaration. The Association, in its sole discretion, shall determine the time and manner in which any maintenance, whether required or assumed, shall be performed, as well as the color and/or type of materials used.

Section 7.2 Owner's Maintenance Responsibility.

(a) Except as otherwise provided in this Declaration or unless maintained by any Subassociation formed for any portion of the Property pursuant to the governing documents for that Subassociation, each Owner shall have the obligation to maintain, repair and replace all portions of the Owner's Unit and all Improvements thereon.

(b) Each Owner shall have the responsibility to:

(i) Perform his or her maintenance responsibility in such manner so as not to unreasonably disturb persons on other Units;

(ii) Promptly report to the Association or its agent any defect or need for repairs, for which the Association is responsible;

(iii) Pay for the cost of repairing, replacing or cleaning up any item which is the responsibility of the Owner but which responsibility such Owner fails or refuses to discharge (which the Association shall have the right, but not the obligation, to do); and

(iv) Pay for the cost of repairing, replacing or cleaning up any item which, although the responsibility of the Association, is necessitated by reason of the willful or negligent act of the Owner, his or her family, tenants, guests, with the cost thereof to be added to and become part of the Owner's next chargeable Assessment as an Individual Purpose Assessment.

(c) An Owner shall not be liable for injury or damage to person or property caused by or resulting from the Owner's maintenance or lack of maintenance of the Unit except if the Owner has failed to exercise due care in performing said maintenance. An Owner shall not be liable to any other Owner, or any Owner's occupant, guest or family, or the Association, for any damage or injury caused in whole or in part by the Owner's failure to discharge its responsibilities under this Section where such damage or injury is not a foreseeable, natural result of the Owner's failure to discharge its responsibilities.

Section 7.3 Inspection, Repair and Replacement of Designated Owner Maintenance Components. If the Association, either through inspection or otherwise, determines that an Owner of a Single Family Lot has failed or refused to discharge properly his or her obligation with regard to the maintenance of his or her Single Family Lot and/or the Improvements thereon, then the Association may give the Owner written notice of the Owner's failure or refusal and of the Association's right to provide necessary maintenance, repair, or replacement at the Owner's cost and expense. The notice shall set forth with reasonable particularity the maintenance, repair, or replacement deemed necessary by the Association.

The Owner shall have thirty (30) days within which to complete maintenance or repair, or if the maintenance or repair is not capable of completion within such time period, to commence replacement or repair within thirty (30) days. The Board of Directors may extend the time period set forth in this Section, in its sole discretion, if completion or commencement of the maintenance or repair within the timeframe provided herein is unreasonable or impracticable given the circumstances in any particular instance. If an Owner has not complied with the demand given by the Association as provided in this Section, the Association may provide any such maintenance, repair, or replacement at the Owner's sole cost and expense, and such costs shall be added to and become a part of the Assessment to which such Owner is subject as an Individual Purpose Assessment, shall become a lien against the Single Family Lot, and shall be collected as an Individual Purpose Assessment, as provided in this Declaration for the collection

of Assessments. Notwithstanding the above, however, if an Owner's failure to perform the maintenance or repair creates an emergency situation such that providing thirty (30) days' notice is impossible or impracticable, the Association may immediately perform any or all of such maintenance or repair as necessary, the cost of which shall be the obligation of the Owner as provided herein.

Section 7.4 Owner's Negligence. If the Board determines that the need for maintenance or repair of any portion of the Common Area, any Lot and/or Unit or otherwise is a Common Expense and is caused through the willful or negligent act of any Owner, or occupant or their family, guests, lessees, or invitees, then the Association may assess the cost of any such maintenance, repair, or replacement against the Owner's or occupant's Unit as an Individual Purpose Assessment, which shall become a lien against the Unit, and shall be collected as provided in this Declaration for the collection of Assessments.

## **ARTICLE 8. INSURANCE**

Section 8.1 Insurance to be Carried by the Association. The Association shall obtain and maintain in full force and effect to the extent reasonably available, and at all times, the insurance coverage set forth in this Declaration, which insurance coverage shall be provided by financially responsible and able companies duly authorized to do business in the State of Colorado. All insurance purchased by the Association shall be purchased from companies with ratings of "A" or better, to the extent that insurance is available at reasonable cost to the Association through such companies.

### Section 8.2 Real Property Insurance on the Common Area.

(a) The Association shall obtain insurance providing all risk coverage or the nearest equivalent available for the full replacement cost, without deduction for depreciation, for all insurable improvements located on the Common Areas, as more fully provided herein, and the other property of the Association.

(b) All policies shall contain a standard non-contributory mortgage clause in favor of each first mortgagee, and their successors and assigns, which shall provide that the loss, if any, thereunder shall be payable to the Association for the use and benefit of such first mortgagee, and their successors and assigns, as their interests may appear of record in the records of the office of the Clerk and Recorder of Eagle County, Colorado.

(c) The Association may also obtain any additional endorsements which it deems advisable and in the best interests of the Community by the Board of Directors.

(d) The insurance described in this Section shall be inflation coverage insurance, if such insurance is available, which shall at all times represent one hundred

percent (100%) of the replacement value of all facilities in the Common Area except land, foundation, excavation and other items normally excluded from coverage and except for any deductible provisions as permitted under this Article.

(e) The Association's insurance policy may contain a reasonable deductible, and the amount thereof shall not be subtracted from the face amount of the policy in determining whether the insurance equals at least the replacement cost of the insured property.

Section 8.3 Association Flood Insurance. The Association shall obtain flood insurance to the extent required by the Federal Emergency Management Agency (FEMA) or any other governmental agency.

Section 8.4 Liability Insurance. The Association shall obtain a comprehensive policy of public liability and property damage liability insurance covering the Common Area, in such limits as the Board may from time to time determine, but not in any amount less than a combined single limit of \$1,000,000.00, and in all cases covering all claims for bodily injury or property damage. Coverage shall include, without limitation, liability for personal injuries, operation of automobiles on behalf of the Association, and activities in connection with the ownership, operation, maintenance and other uses of the Common Area. The foregoing liability insurance shall name the Association as the insured.

Section 8.5 Fidelity Insurance. The Association shall obtain fidelity coverage or fidelity bonds to protect against dishonest acts on the parts of its officers, directors, trustees, volunteers and employees and on the part of all others who handle or are responsible for handling the funds of the Association, including persons who serve the Association with or without compensation. The fidelity insurance shall be in an amount at least covering the Association's reserves plus three months' worth of Assessments.

Section 8.6 Workers Compensation. The Association shall obtain and maintain workers' compensation and employer's liability insurance and all other similar insurance with respect to employees of the Association in the amounts and in forms now or hereafter required by law.

Section 8.7 Director and Officer Liability Insurance. The Association shall purchase directors' and officers' insurance in an amount reasonably necessary to protect the directors and officers of the Association. Such insurance should include coverage for claims brought seeking both monetary and/or non-monetary damages.

Section 8.8 Other Insurance. The Association may obtain insurance against such other risks, of similar or dissimilar nature as it shall deem appropriate with respect to the Association's responsibilities and duties.

Section 8.9 Miscellaneous Terms Governing Insurance Carried by the Association. The Association shall maintain, to the extent reasonably available and necessary, policies with the following terms or provisions:

(a) All policies of insurance shall provide that each Owner is an insured under the policy with respect to liability arising out of such Owner's membership in the Association.

(b) All policies of insurance shall contain waivers of subrogation against any Owner or member of his or her household.

(c) All policies of insurance shall contain waivers of any defense based on invalidity arising from any acts of an Owner and shall provide that such policies may not be canceled or modified without at least thirty (30) days prior written notice to all of the Owners, holders of first mortgages on any of the Units who request such notification and the Association.

(d) If requested, certificates of insurance and renewals thereof, together with proof of payments of premiums, shall be delivered to all holders of first mortgages on the Units at least ten (10) days prior to expiration of the then current policies.

(e) All liability insurance shall be carried in blanket form naming the Association, the board, the manager or managing agent, if any, and the officers of the Association as insureds.

(f) All policies of insurance of the Association shall be primary, providing the primary insurance of the loss, if there is other insurance in the name of the Owner.

(g) All policies of insurance shall provide that the insurance thereunder shall not be invalidated, suspended, voidable or have any condition of recovery due to an act or omission by any Owner, only in respect to the interest of any particular Owner guilty of a breach of warranty, act, omission, negligence or non-compliance of any provision of such policy, including payment of the insurance premium applicable to the Owner's interest, or who permits or fails to prevent the happening of any event, whether occurring before or after a loss, which under the provisions of such policy would otherwise invalidate or suspend the entire policy, but the insurance under any such policy, as to the interests of all other insured Owners not guilty of any such act or omission, shall not be invalidated or suspended and shall remain in full force and effect.

Section 8.10 Insurance Obtained by Owners. Unless otherwise provided, each Owner shall be responsible for maintaining insurance with sufficient limits to cover his Unit and all Improvements thereon, unless insurance is provided by a Subassociation governing any portion of the Property, as may be required by the governing documents of such Subassociation. Such

insurance shall include, but may not be limited to, furnishings and personal or other property in or on the Unit and liability insurance for injury, death or damage in or upon the Unit. Any such policy shall contain waivers of subrogation and shall be written so that the liability of the carriers issuing insurance obtained by the Association shall not be affected or diminished thereby.

Section 8.11 Insurance Premium. Except as assessed in proportion to risk, insurance premiums for insurance carried by the Association shall be a Common Expense to be included as a part of the annual Assessments levied by the Association.

Section 8.12 Managing Agent Insurance. The manager or managing agent, if any, shall be insured for the benefit of the Association, and shall maintain and submit evidence of such coverage to the Association, including professional liability or errors and omissions insurance, workers' compensation, unemployment and fidelity coverage.

Section 8.13 Waiver of Claims Against Association. As to all policies of insurance maintained by or for the benefit of the Association and Owners, the Association and the Owners hereby waive and release all claims against one another and the Board of Directors, to the extent of the insurance proceeds available, whether or not the insurance damage or injury is caused by the negligence of or breach of any agreement by these persons.

Section 8.14 Adjustments by the Association. Any loss covered by an insurance policy carried by the Association shall be adjusted by the Association, and the insurance proceeds for that loss shall be payable to the Association, and not to any holder of a mortgage on any Unit. The Association shall hold any insurance proceeds in trust for the Association, Owners and such mortgagees as their interests may appear. The proceeds must be distributed first for the repair or restoration of the damaged property, and the Association, Owners and mortgagees are not entitled to receive payment of any portion of the proceeds unless there is a surplus of proceeds after the damaged property has been completely repaired or restored. If the insurance proceeds are insufficient to cover the cost of repair or reconstruction, the Association may levy a Special Assessment to cover the short fall (or deductible) pursuant to this Declaration.

Section 8.15 Duty to Repair. Any portion of the Common Area for which insurance is required to be carried by the Association under this Article which is damaged or destroyed must be repaired or replaced promptly by the Association.

Section 8.16 Condemnation and Casualty Insurance Allocations and Distributions. In the event of a distribution of condemnation proceeds or hazard insurance proceeds to the Owners, the distribution shall be to the parties as their interests and rights are determined or allocated by record or as set forth in the Act.

Section 8.17 Responsibility for Payment of Deductible Amount. Whether the Board, in its discretion, chooses to submit a claim under the Association insurance policies or not, the

payment of the deductible amount for claims which the Association is responsible for insuring shall be as follows:

(a) The Association shall pay or absorb the deductible amount for any work, repairs or reconstruction for damage to Common Area, unless the damage is the liability of an Owner, his family, guests, or invitees, as set forth in this Declaration, or a Subassociation. The Owner or the Subassociation, as applicable, shall then be responsible for such deductible amount, and the Association shall seek reimbursement of the deductible amount, which in the case of an Owner, shall be collected as an Individual Purpose Assessment in compliance with and under the terms of this Declaration.

(b) The Owner or applicable Subassociation, if required by the Subassociation's governing documents, shall pay or absorb the deductible for any loss to a Unit unless the loss is caused by the negligent or willful act or omission of the Association, another Owner, another Owner's family, guests or invitees, or another Subassociation, in which case the Association, such other Owner, or the such other Subassociation, as the case may be, shall be responsible for the deductible. If an Owner or Subassociation fails to pay the deductible pursuant to this Section, the Association may, but shall not be obligated to seek the deductible from such Owner or Subassociation, which in the case of an Owner, shall be collected on behalf of the Owner suffering the loss as an Individual Purpose Assessment of the other Owner, as provided in this Declaration for the collection of Assessments.

Section 8.18 Insurance Assessments. If the proceeds of insurance are not sufficient to defray the costs of reconstruction and repair due to deductibles allocated to the Association or failure of the Association to maintain coverage to defray costs of repair and reconstruction which in the absence of insurance would be the maintenance responsibility of the Association, the deductible or additional cost shall be a Common Expense. Notwithstanding the budget ratification procedure set forth in this Declaration, the insurance Assessment shall be ratified unless vetoed by Members holding at least eighty percent (80%) of the total votes entitled to be cast in the Association pursuant to Section 303(4) of the Act and as set forth in the Bylaws, as the Bylaws may be amended from time to time.

Section 8.19 Association as Attorney-in-Fact. Each Owner hereby irrevocably appoints the Association as the Owner's true and lawful attorney-in-fact for the purposes of dealing with any improvements covered by insurance written in the name of the Association pursuant to this Article upon their damage or destruction as provided in this Declaration, or a complete or partial taking or condemnation as provided in this Declaration. Acceptance by a grantee of a deed or other instrument of conveyance conveying any portion of the Property shall constitute appointment of the Association as the grantee's attorney-in-fact, and the Association shall have full authorization, right, and power to make, execute, and deliver any contract, assignment, deed, waiver, or other instrument with respect to the interest of any Owner which may be necessary to

exercise the powers granted to the Association as attorney-in-fact. Furthermore, if so requested, an Owner shall execute a separate instrument specifically setting forth this appointment.

## ARTICLE 9. USE RESTRICTIONS

Section 9.1 Flexible Application of the Subsequent Covenants and Restrictions. Except as otherwise provided in this Declaration, all Lots and Units within the Community shall be held, used and enjoyed subject to the following limitations and restrictions. The strict application of the following limitations and restrictions in any specific case may be modified or waived, in whole or in part, by the Board of Directors or by an appropriate committee (subject to review by the Board of Directors) if such strict application would be unreasonable or unduly harsh under the circumstances. Any such modification or waiver must be in writing.

Section 9.2 Authority. All provisions of the Governing Documents shall apply to Owners and their guests, tenants, invitees and licensees. Owners and their successors and assigns, by acceptance of a deed to a Unit, acknowledge that they have been given notice, and that:

- (a) The ability of Owners to use their Unit may be limited by the provisions in the Governing Documents.
- (b) The Board may, from time to time, adopt and amend definitions of words, phrases and terms used in this Declaration and other Governing Documents.
- (c) The Board may establish penalties for the infraction of all regulations and Owners will be responsible for fines assessed against their tenants, guests and invitees for violations of the restrictions.
- (d) All fines imposed are collectable as Assessments.

Section 9.3 Restrictions on Occupancy – Age Qualified Community. The Units within the Community are intended for the housing of persons fifty-five (55) years of age or older. The provisions of this Section 9.3 are intended to be consistent with, and are set forth in order to comply with the Fair Housing Amendments Act, 42 U.S.C. §3601 *et seq.* (1988), as amended, the exemption for housing for older persons set out in 42 U.S.C. §3607(b)(2)(C), and the regulations promulgated thereunder (collectively, as may be amended, "**HOPA**") allowing discrimination based on familial status. The Declarant or the Association, acting through the Board, shall have the power to amend this Section, without the consent of the Members or any Person except the Declarant, for the purpose of maintaining the age restriction consistent with HOPA, the regulations adopted pursuant thereto, and any related judicial decisions in order to maintain the intent and enforceability of this Section.

(a) Each occupied Unit shall at all times be occupied by at least one person fifty-five (55) years of age or older. No person under the age of eighteen (18) shall be allowed as a resident within the Community.

(b) Notwithstanding the foregoing, in the case of the death, hospitalization, or the dissolution of marriage with, a resident who is at least fifty-five (55) years of age, a person under the age of fifty-five (55) shall be permitted to occupy the Unit if he or she is eighteen (18) year of age or older and meeting the following criteria:

(i) He or she was residing with the over-55 resident prior to that resident's death, hospitalization, or dissolution of marriage with; or

(ii) Meet other criteria that may be determined by the Board of Directors; and

(ii) Occupancy by such person shall not cause the community to fail to qualify, or become in imminent risk of failing to qualify, for the exemption for housing for older persons pursuant to HOPA and any similar statute under Colorado law, as determined by the Board of Directors in its sole discretion.

(c) Any resident meeting the requirements of this Section may have as guests persons under the age of eighteen (18) for a period of time not exceeding six (6) consecutive weeks and for no more than a total of ninety (90) days in any twelve (12) month period, for each such guest.

(d) The occupancy regulations of this Section regarding age restrictions apply to all occupants of a Unit, whether Owners, family members, roommates, tenants or otherwise, and to all leases, rentals, transfers, and conveyances of any sort.

(e) It shall be the duty and obligation of each Owner, prior to selling, conveying, leasing, renting or transferring such Owner's Unit, to notify the purchaser, transferee or lessee in writing that, per this Declaration, after such purchase, conveyance, transfer or lease, at least one (1) occupant must be at least fifty-five (55) years of age as provided herein. In the event of a sale, conveyance, transfer or lease of a Unit, the purchaser, transferee or lessee shall provide to the Association, prior to or at the closing of such sale, conveyance or transfer, or prior to or at the time of the execution of the lease, an affidavit confirming that at least one occupant of the Unit will be at least fifty-five (55) years of age. Such affidavit shall be in a form made available by the Association.

(f) It is understood that ultimate responsibility for compliance with the provisions of this Section rests with the Owners. It is the duty of each Owner to comply herewith and with any and all policies, procedures, rules and regulations promulgated by

the Association and to make notification to the Association as provided in this Section. Each Owner acknowledges that the pattern of resales of Units can be difficult to control or predict, and that compliance with the aforementioned restrictions depends on the cooperation of the Owners as a whole. The Association shall assist in the monitoring and compliance with the terms hereof by maintaining records of the age of occupants of each Unit and periodically updating such records, as more fully provided in Section 9.3(g) below.

(g) The Board of Directors shall, at least once every two (2) years, determine the occupancy of each Unit, including whether at least one occupant is at least fifty-five (55) years of age. The Board of Directors shall publish and adhere to policies and procedures which demonstrate the intent to provide housing for older persons, including, but not limited to, reliable surveys and affidavits for verification of occupancy. The Board of Directors shall accept an affidavit or a census form solicited by the Association, signed by an adult member of the household (which may be a tenant), asserting that at least one person in the Unit is at least fifty-five (55) years of age. In addition, the Board of Directors may also accept any of the following as verification of age: (i) driver's license; (ii) birth certificate; (iii) passport; (iv) immigration card; (v) other state, local, national or international official documents containing a birth date of comparable reliability; or (vi) other documentation acceptable under HOPA.

(h) Each Owner shall, within thirty (30) days of a request of the Association, or any officer, director, manager or employee thereof, furnish information to the Association regarding the age of the occupants of the Unit. If a tenant is occupying the Unit, then the Owner shall obtain such information from the tenant and cause the information to be furnished to the Association in compliance with the preceding sentence. The Board of Directors may establish and enforce penalties, including without limitation the levying and collection of fines, for the failure of any Owner or tenant to comply with the request to provide documentation establishing the age of the occupants of the Unit.

Section 9.4 Use/Occupancy. All Single Family Lots within the Community shall be used for residential use only, including uses which are customarily incident thereto, and shall not be used at any time for business, commercial or professional purposes. Notwithstanding the foregoing, Single Family Lots may be used for business activities provided that the following are satisfied:

(a) The business conducted is clearly secondary to the residential use of the home and is conducted entirely within the home;

(b) The existence or operation of the business is not detectable from outside of the home by sight, sound, smell or otherwise, or by the existence of signs indicating that a business is being conducted;

(c) The business does not result in an undue volume of traffic or parking within the Community, which determination may be made by the Board of Directors in its sole discretion from time to time;

(d) The business conforms to all zoning requirements and is lawful in nature; and

(e) The business conforms to any Rules and Regulations that may be imposed by the Association from time to time on a uniform basis to protect the peace, tranquility and quality of the Community.

Section 9.5 Leasing and Occupancy. Owners of Single Family Lots shall have the right to lease or allow occupancy of a Single Family Lot or any portion thereof upon such terms and conditions as the Owner may deem advisable, subject to restrictions of this Declaration, subject to restrictions of record and subject to the following:

(a) All leases or rental agreements shall be in writing and shall provide that the leases or rental agreements are subject to all terms of the Governing Documents. Owners are required to provide tenants with copies of the current Declaration, Articles of Incorporation, Bylaws and any Rules and Regulations of the Association, which copies may be provided by electronic means.

(b) Each Owner who leases his or her Single Family Lot shall provide the Association, upon request, a copy of the current lease and tenant information, including the names of all occupants, vehicle descriptions, including license plate numbers, and any other information reasonably requested by the Association or its agents.

(c) Each Owner is strongly encouraged to conduct full background checks, including credit and criminal reports, for each lease applicant.

(d) All occupancies, leases and rental agreements of Single Family Lots shall state that the failure of the tenant, lessee, renter or their guests to comply with the terms of the Governing Documents shall constitute a default of the occupancy, lease or rental agreement and of this Declaration and such default shall be enforceable by either the Association or the landlord, or by both of them.

(e) All Owners who reside at a place other than the Lot or Unit shall provide to the Association an address and phone number(s) where the Owner can be reached in the case of emergency or other Association business. It is the sole responsibility of the Owner to keep this information current.

(f) The Association shall have the authority to adopt Rules and Regulations regarding leasing, including the implementation of this restriction, and for implementation of other restrictions in the Declaration and as allowed by law.

(g) Except as otherwise provided in this subsection, no Single Family Lot shall be occupied on either a short-term or long-term basis by more than one (1) person per seventy (70) square feet of intended sleeping rooms, including bunks, but excluding closets. Notwithstanding, the aforementioned capacity limitation may be exceeded on a temporary basis for no more than two (2) consecutive weeks at any one time, and for no more than 90 (ninety) days total in any twelve (12) month period. Further, for any lease of a Single Family Lot for less than thirty (30) days, occupancy by such lessees shall not exceed four (4) people in a one bedroom residence or six (6) people in a two bedroom residence unless approved in writing by the Board of Directors.

Section 9.6 Restrictions on Pets. No animals, livestock, birds, poultry, reptiles or insects of any kind shall be raised, bred, kept or boarded in or on the Single Family Lots; provided, however, that a reasonable number of dogs, cats, or other domestic animals which are bona fide household pets may be kept on a Single Family Lot, so long as such pets are not kept for any commercial purpose and are not kept in such number or in such manner as to create a nuisance to any resident of the Community. When on the Common Area, pets must be on a leash and under control. Feces left by pets upon the Common Area must be removed promptly by the owner of the pet or the person responsible for the pet. Pets shall not be allowed to defecate or urinate on any patio or balcony in the Community which is not owned or leased by the owner of the pet. Additionally, the Association shall have, and is hereby given, the right and authority to: adopt Rules and Regulations related to a size or poundage limit on pets; regulate, through Rules and Regulations, the type(s) and/or breed(s) of pets that are permitted to be kept; determine in its sole discretion that any dog(s), cat(s), or other household pet(s) are being kept for commercial purposes or are being kept in such number or in such manner as to be unreasonable or to create a nuisance; or determine that an Owner is otherwise in violation of the provisions of this Section. In any of the foregoing instances, the Association may take such action or actions as it deems appropriate to correct the same, including the right to require removal of the pet from the Community. The right to keep household pets shall be coupled with the responsibility to pay for any damage caused by such pets, as well as any costs incurred by the Association as a result of such pets.

Section 9.7 Antennae. "Permitted Antennas" are defined as (a) an antenna which is one (1) meter or less in diameter and is designed to receive direct broadcast satellite service, including direct-to-home satellite service, or to receive or transmit fixed wireless signals via satellite; (b) an antenna which is one (1) meter or less in diameter or diagonal measurement and is designed to receive video programming services via broadband radio service (wireless cable) or to receive or transmit fixed wireless signals other than via satellite; (c) an antenna which is designed to receive local television broadcast signals; or (d) other antennas which are expressly permitted under applicable federal statutes or regulations. In the event a Permitted Antenna is no

longer expressly permitted under applicable federal statutes or regulations, such antenna will no longer be a Permitted Antenna for purposes of this Section.

Permitted Antennas shall be installed in the least conspicuous location available on a Single Family Lot which permits acceptable signals, without unreasonable delay or increase in the cost of installation, maintenance or use of the Permitted Antenna. The Association may adopt rules regarding location and installation of Permitted Antennas on Single Family Lots, including the height of the same, subject to limitations of applicable federal law. Except as allowed by federal statutes and regulation, no exterior television or any other antennae, microwave dish, satellite dish, satellite antenna, satellite earth station or similar device of any type shall be erected, installed or maintained on a Single Family Lot.

Section 9.8 Removal of Improvements. No residence constructed on any Single Family Lot shall be removed from such Single Family Lot without the prior written approval of the Board of Directors.

Section 9.9 Tanks. No tanks of any kind (either elevated or buried), except for small portable tanks associated with an outdoor gas grill, shall be erected, placed or permitted upon any Single Family Lot without the prior written approval of the Architectural Review Committee.

Section 9.10 Nuisances. No nuisance shall be permitted within the Community, nor any use, activity or practice which is the source of unreasonable annoyance or embarrassment to, or which unreasonably offends or disturbs, any Owner or which may unreasonably interfere with the peaceful enjoyment or possession or the proper use of a Unit or any Common Area, or any portion of the Community by residents.

Section 9.11 Vehicular Parking, Storage, and Repairs.

(a) Except for parking on the public streets, if any, which shall be controlled by the Town of Gypsum or Eagle County, Colorado, as applicable, all parking within the Community and upon any Common Area shall be regulated by the Association.

(b) The following may not be parked or stored on a Single Family Lot within the Community, unless such parking or storage is within a garage on a Single Family Lot, or unless authorized in writing by the Association or as otherwise exempted by Colorado law: oversized vehicles, commercial vehicles, trailers, camping trailers, boat trailers, hauling trailers, boats or accessories thereto, self-contained motorized recreational vehicles, heavy equipment, lawn equipment, snow mobiles, all-terrain vehicles or other oversized types of vehicles or equipment as prohibited by Rules and Regulations. The foregoing may be parked as a temporary expedience for loading or delivery of goods or services, not to exceed forty-eight (48) hours in any seven (7) day period. This restriction shall not apply to commercial vehicles temporarily located within the Community which

are necessary for construction or for the maintenance of any Common Area, Lots, or any improvement located thereon. The Board of Directors may further define the terms used in this subsection in the Rules and Regulations.

(c) No abandoned or inoperable automobiles or vehicles of any kind shall be stored or parked on a Single Family Lot or within the Community unless parked or stored within a garage. An "abandoned or inoperable vehicle" shall be defined by Colorado statutes governing inoperable, unlicensed or abandoned vehicles on public streets, or as defined by Rules and Regulations adopted by the Association.

(d) No motor vehicle may impede the safe and efficient use of streets, driveways or alleys within the Community by residents, obstruct emergency access to/ from the Community or interfere with the reasonable needs of other residents to use their driveway, streets, or guest parking within the Community.

(e) Overnight parking on each Single Family Lot shall be limited to no more vehicles of any kind than the approved number of parking spaces on such Single Family Lot may, except with the prior written approval of the Board of Directors.

(f) No activity such as, but not limited to, maintenance, repair, rebuilding, dismantling, repainting, or servicing of any kind of vehicle, trailer or boat, may be performed or conducted outside of garages on any Single Family Lot unless the same is completed within ninety-six (96) hours of commencement of such maintenance, repair, rebuilding, dismantling, repainting or servicing. Such repairs may be performed, provided there is no damage (e.g., oil, residue) to paved areas, and all equipment and parts are removed upon completion of the work.

(g) Parking in fire lanes (as designated by the Association or as designated by local government or a local fire protection authority) shall not be permitted.

(h) If any vehicle is parked on any portion of the Community in violation of this Section or in violation of the Association's Rules and Regulations, the Board may place a notice on the vehicle specifying the nature of the violation and stating that after forty-eight (48) hours the vehicle may be towed or booted. The notice shall include the name and telephone number of a person to contact regarding the alleged violation. A notice also shall be conspicuously placed at the Community stating the name and telephone number of the person or entity which will do the towing and/or booting hereunder. If forty-eight (48) hours after such notice is placed on the vehicle the violation continues or thereafter occurs again within six (6) months of such notice, the vehicle may be towed or booted in accordance with the notice, without further notice to the vehicle owner or user, and the owner thereof shall be solely responsible for all towing and storage charges.

(i) If a vehicle is parked in a fire lane, is blocking another vehicle or access to another Owner's or occupant's Lot or Unit, is obstructing the flow of traffic, is parked on any grassy area, is parked in a space which has been assigned as exclusively serving another Lot or Unit, or otherwise creates a hazardous condition, no notice shall be required and the vehicle may be towed or booted immediately.

(j) If a vehicle is towed or booted in accordance with this Section, neither the Association nor any officer or agent of the Association shall be liable to any person for towing and storage costs or for any claim of damage as a result of the towing or booting activity. The Association's right to tow or boot is in addition to, and not in limitation of all other rights of the Association, including the right to assess fines. Notwithstanding anything to the contrary in this Section, the Board may elect to impose fines or use other available sanctions, rather than exercise its authority to tow or boot.

Section 9.12 Use of Common Area. There shall be no obstruction of any Common Area, nor shall anything be kept or stored on any part of the Common Area without the prior written approval of the Association. Nothing shall be altered on, constructed in, or removed from any Common Area without the prior written approval of the Architectural Review Committee.

Section 9.13 No Annoying Lights, Sounds or Odors. No light shall be emitted from any portion of the Community which is unreasonably bright or causes unreasonable glare, and no sound or odor shall be emitted from any portion of the Community which would reasonably be found by others to be noxious or offensive. Without limiting the generality of the foregoing, no exterior spot lights, searchlights, horns, whistles, bells or other light or sound devices shall be located or used on any portion of the Community except with the prior written approval of the Architectural Review Committee, or as set forth in the Rules and Regulations, which may limit the hours of operation of light and/or sound devices.

Section 9.14 No Hazardous Activities. No activity shall be conducted on and no Improvement shall be constructed on any Property within the Community which is or might be unsafe or hazardous to any person or property. Without limiting the generality of the foregoing, no firearms shall be discharged upon any Property within the Community. No open fires shall be lighted or permitted on any Property within the Community except in a contained barbeque unit while attended and in use for cooking purposes or within an interior or exterior fireplace designed to prevent dispersal of burning embers unless otherwise prohibited by governmental ordinances. No Owner or Owners shall permit any condition on his Single Family Lot which creates a fire hazard or is in violation of applicable fire prevention regulations.

Section 9.15 Restrictions on Clotheslines and Storage. Except for retractable clotheslines which comply with reasonable aesthetic regulations adopted by the Board of Directors and except as otherwise permitted by Colorado law, no clotheslines drying areas or yards, service yards, shops, equipment, storage or storage areas shall be installed, allowed, kept,

maintained or permitted on any Single Family Lot unless the same, in each instance, is expressly permitted in writing by the Architectural Review Committee.

Section 9.16 Restrictions on Signs and Advertising Devices. Except as provided in this Section, no sign, poster, billboard, advertising device or display of any kind shall be erected or maintained anywhere on a Single Family Lot which is visible from the street or from any other Single Family Lot except such sign or signs as may be approved in writing by the Architectural Review Committee. Signs intended to impact the outcome of an election may be displayed in accordance with the Association's Rules and Regulations. One (1) professionally lettered Siena Lake "For Sale" or "For Rent" sign may be obtained from the Association and may be utilized with a similarly professionally lettered contact rider, which sign and contact rider together may not exceed three (3) feet by three (3) feet. Such "For Sale" or "For Rent" sign may be displayed inside a window of a residence constructed on the Single Family Lot or in the front yard of the Single Family Lot. Further, one (1) professionally lettered security or alarm system sign not exceeding six (6) inches by six (6) inches may be displayed inside a window of a residence constructed on the Single Family Lot.

Section 9.17 Outbuildings. An "outbuilding" shall mean an enclosed or covered structure not directly attached to the dwelling it serves. No outbuilding or temporary structure, including sheds, trailers, mobile homes, tents, shacks, barns, or detached garages or carports, shall be allowed on any Single Family Lot unless approved in writing by the Architectural Review Committee.

Section 9.18 Trash Removal Restriction. No garbage, refuse, rubbish, or cuttings shall be deposited on any street, road or any Common Area or on any Single Family Lot, unless placed in a suitable container and suitably located. All equipment for the storage or disposal of such materials shall be kept in a clean and sanitary condition. No garbage cans, trash cans or receptacles shall be maintained in an exposed or unsightly manner. If trash removal is a service offered by the Association to Owners, then the Association shall have the exclusive right to engage a trash removal contractor on behalf of the Owners.

Section 9.19 Prohibited Activities. No Owner or occupant of a Single Family Lot may engage in any activity or practice which, in the sole discretion of the Board, is considered a threat to the health and/or safety of other Owners and residents within the Community, including but not limited to, hoarding, creating conditions conducive to indoor fires, allowing Single Family Lots to fall into a state of disrepair to the point that rodents or other pests enter, or any other conditions which could cause damage or harm to other Single Family Lots or Common Area in the Community.

Section 9.20 Maintenance of Grade and Drainage. The grading upon each Lot shall be maintained by the Owner thereof, or by any Subassociation formed for any portion of the Property which is responsible for the maintenance of the grading on such Lot, at the slope and pitch fixed by the final grading thereof. No Owner or any such Subassociation shall interfere in

any way with the established drainage pattern over the Lot from adjoining or other real property. For purposes of this Section, “established drainage” is defined as the drainage which exists at the time final grading on the Lot is completed by the builder of the structure(s) on the Lot in accordance with the Community’s lot grading plan as approved by Eagle County or the Town of Gypsum. Any Owner or Subassociation who changes the established drainage on his or her Lot may void warranties applicable to affected components of the structure(s) on the Lot and shall be liable for all costs and expenses of repairing such changes, or any costs, liabilities, damages or causes of action arising out of such changes. Each Owner or applicable Subassociation shall hold harmless the Association for any and all damage to any party caused by any change to the established drainage on the Owner’s Lot or on the property maintained by the Subassociation, as applicable.

Section 9.21 Rules and Regulations. In furtherance of the provisions of this Declaration, and the general plan, Rules and Regulations concerning and governing the Community or any portion thereof may be adopted, amended, or repealed from time to time by the Board of Directors. The Board of Directors may establish and enforce penalties for the infraction thereof.

Section 9.22 Use of the Words “Siena Lake Club” and “Siena Lake Club Association”. No resident or Owner shall use the words “Siena Lake” or “Siena Lake Club Association” or the logo of the Community or Association, if any, or any derivative thereof, in connection with any goods, materials or services, the use of which is likely to cause confusion, mistake or deception as to the source or origin of such goods, materials or services, without the prior written consent of the Association.

(c) Counterclaims brought by the Association in proceedings instituted against it;

(d) Any suit between or among Owners, which does not also include the Declarant or the Association as a party, if such suit asserts a Claim which would constitute a cause of action independent of the Governing Documents; and

(e) Any suit in which any indispensable party is not a Bound Party.

Section 10.5 Mandatory Procedure.

(a) *Notice.* Prior to proceeding with any Claim against a Respondent, each Claimant shall give a Notice to each Respondent, which Notice shall state plainly and concisely:

(i) The nature of the Claim, including all Persons involved and Respondent's role in the Claim;

(ii) The legal basis of the Claim (i.e., the specific authority out of which the Claim arises);

(iii) the proposed remedy; and

(b) *Negotiation and Mediation.*

(i) The Parties will make every reasonable effort to meet in person and confer for the purpose of resolving the Claim by good faith negotiation. If requested in writing, accompanied by a copy of the Notice, any Party may appoint a representative to assist the Parties in negotiation.

(ii) Upon a Termination of Negotiations, the Claimant has thirty (30) days to submit the Claim to mediation under the auspices of JAG in accordance with the rules of JAG in effect on the date of the Notice that is provided for in subsection 10.5(a) of this Declaration.

(iv) Any settlement of the Claim through mediation must be documented in writing by the mediator and signed by the Parties. If a Termination of Mediation occurs, the mediator must issue a notice of Termination of Mediation. The Termination of Mediation notice shall set forth that the Parties are at an impasse and the date that mediation was terminated.

(v) Each Party will bear its own costs of the mediation, including attorneys' fees, and each Party shall share equally all charges rendered by the mediator.

(iii) Any judgment upon the award rendered by the arbitrator may be entered in and enforced by any court having jurisdiction over such Claim. Unless otherwise mutually agreed to by the Parties, one arbitrator who has expertise in the areas of dispute, which may include legal expertise if legal issues are involved, will arbitrate the dispute.

(iv) Each Party shall bear its own costs and expenses and an equal share of the arbitrator's and administrative fees of arbitration. Notwithstanding the foregoing, if a Party unsuccessfully contests the validity or scope of arbitration in a court of law, the arbitrator shall award reasonable attorneys' fees and expenses incurred in defending such contests, including those incurred in trial or on appeal, to the non- contesting Party. All decisions respecting the arbitrability of any Claim shall be decided by the arbitrator.

Section 10.6 Award. The award of the arbitrator must be accompanied by detailed written findings of fact and conclusions of law. Except as required by applicable law or for confirmation of an award, neither Party nor an arbitrator may disclose the existence, content, or results of any arbitration without the prior written consent of all Parties.
