**Re: Coyote Pit, File No. M-2016-046, 112 Construction Materials Reclamation Permit
Application Approval - Financial and Performance Warranty Request**

Mr. Larsen:

On December 6, 2016 the Division of Reclamation, Mining and Safety (Division) approved your 112c Construction Materials Reclamation permit application.

The amount of financial warranty set by the Division for this operation is \$706,272.00 which is based on the cost estimate provided in the application. You must submit a financial warranty in this amount along with performance warranty in order for the Division to issue a permit. In the event you have requested a financial warranty form, we have enclosed it in this letter. If you have not, please select a type of financial warranty from Rule 4.3. Then contact us so that we can provide you with the appropriate warranty form. We have enclosed a performance warranty form with this letter for your use.

PLEASE NOTE THAT MINING OPERATIONS MAY NOT COMMENCE UNTIL A PERMIT HAS BEEN ISSUED BY THE DIVISION AFTER RECEIPT OF YOUR FINANCIAL WARRANTY AND PERFORMANCE WARRANTY. A PERMIT WILL NOT BE ISSUED UNTIL WE VERIFY THE ADEQUACY OF BOTH YOUR FINANCIAL WARRANTY AND PERFORMANCE WARRANTY.

If you have any questions, please contact me at (970) 241-2042.

Sincerely,

Travis Marshall
Environmental Protection Specialist

Enclosure(s) - Performance Warranty
