(4) Upon receipt of an application for a special event liquor permit, the liquor authority shall, as required by Section 44-5-107(5)(c), C.R.S., access information made available on the state licensing authority's website to determine the statewide permitting activity of the organization applying for the permit. Before approving an application, the liquor authority shall consider compliance with Section 44-5-105(3), C.R.S., which restricts the number of permits issued to an organization in a calendar year.

At the discretion of the liquor authority, violations of these provisions shall be grounds for revocation of the special event liquor permit. Prior to any revocation, suspension or imposition of fines or penalties, the liquor authority shall conduct a public hearing, at which hearing the licensee shall be afforded the opportunity to be heard to defend the revocation, suspension, or imposition of fines or penalties. These provisions shall also be enforced in accordance with Chapter 19.05 of this Code.
